5. Tenor & Repayment

Tenor:	5 years from closing date ("Maturity Date")
Amortization:	5.0% per annum of original principal, payable quarterly; balance due at maturity
Revolver Maturity:	Co-terminus with Term Loan

Mandatory Prepayments:	Excess cash flow sweep (75% above 3.0x leverage; 50% between 2.5x–3.0x; 0% below 2.5x), asset sale proceeds above $7.5M per year (subject to reinvestment rights of 12 months), and change of control
Voluntary Prepayments:	Permitted at any time subject to applicable prepayment premium; minimum prepayment amount of $2,500,000

6. Security & Collateral

The Obligations shall be secured by a perfected first priority lien on substantially all assets of the Borrower and each Guarantor, including:

- 100% of the equity interests in the Borrower and each direct subsidiary
- All present and after-acquired tangible and intangible personal property (accounts receivable, inventory, equipment, IP, general intangibles)
- All deposit accounts, securities accounts, and investment property
- All proceeds and products of the foregoing

LTV:	Not applicable (healthcare SaaS business; no significant hard asset base). Senior leverage covenant provides equivalent structural protection.
Intercreditor:	None. Single-lender first lien structure — no subordinated debt in capital structure.

7. Covenants

Financial Covenants (tested quarterly on a trailing twelve-month basis):

- Maximum Total Net Leverage: 4.50x at close, stepping down to 4.25x at Month 12, 4.00x at Month 18, and 3.75x at Month 24 through maturity
- Minimum Interest Coverage Ratio: 2.00x (Consolidated EBITDA to Cash Interest Expense)
- Minimum Fixed Charge Coverage Ratio: 1.10x (Consolidated EBITDA less unfinanced capex to fixed charges including cash interest, scheduled amortization, and cash taxes)
- Minimum Liquidity: $20,000,000 of unrestricted cash and Revolver availability at all times

EBITDA Definition:

Consolidated EBITDA means net income plus interest, taxes, depreciation, amortization, and the following add-backs: (i) non-recurring restructuring charges (cap: $3.0M per LTM period); (ii) transaction costs related to the acquisition (capped at actual documented costs); (iii) cost savings and synergies expected to be realized within 12 months (cap: the lesser of $5.0M or 10% of pre-add-back EBITDA); (iv) non-cash charges (cap: $2.0M per LTM period). Add-back cap in aggregate: 10% of pre-add-back EBITDA. No management fee add-backs permitted.

Equity Cure:

- Sponsor equity cure permitted for financial covenant breaches; limited to 1 cure in any 4-quarter rolling period and 2 cures over the life of the facility. Cured amounts included in EBITDA only, not as debt repayment. No back-to-back cures permitted.

Incurrence / Negative Covenants (selected):

- Indebtedness: No additional indebtedness other than the Facility, ordinary course capital leases (cap: $3.0M), and a general basket of the greater of $10.0M or 10% of LTM EBITDA
- Liens: No additional liens other than customary permitted liens; no pari passu or senior liens
- Restricted Payments: No dividends, distributions, or equity buybacks unless Total Net Leverage < 3.00x on a pro forma basis and no event of default exists
- Asset Sales: Permitted up to $7.5M per year without mandatory prepayment (subject to arm's-length requirement and Lender confirmation of fair market value); proceeds above threshold subject to 100% sweep
- Investments / Acquisitions: Permitted acquisitions subject to pro forma compliance with all financial covenants, no existing event of default, and (for acquisitions > $15.0M) prior written Lender consent; all acquisitions must be in the same or complementary line of business
- Change of Control: Constitutes an event of default triggering mandatory prepayment at par plus applicable premium

8. Reporting & Monitoring

- Annual audited financial statements within 90 days of fiscal year end
- Quarterly unaudited financials and compliance certificate within 45 days of quarter end
- Monthly management accounts within 30 days of month end
- Annual operating budget and three-year financial forecast within 30 days of fiscal year end
- Prompt notice of any Event of Default, material litigation, material customer loss (>5% of revenue), or material adverse change

9. Conditions to Closing (Summary)

- Execution of definitive credit agreement, security documents, and legal opinions satisfactory to Lender
- Satisfactory completion of financial, legal, commercial, and technology due diligence
- Equity contribution funded and capitalization table as agreed
- No material adverse change in business, financial condition, or markets since the date hereof
- Payment of all fees and expenses of Lender's counsel
- Receipt of customer concentration analysis confirming no single customer exceeds 15% of LTM revenue

10. Governing Law & Miscellaneous

Governing Law:	State of New York
Jurisdiction:	Federal and state courts located in the Borough of Manhattan, New York
Counsel to Lender:	To be engaged by Lender; reasonable fees payable by Borrower at closing
Expiration:	This term sheet expires at 5:00 p.m. EST on May 9, 2026 unless executed by both parties
